Pegasus Certified Installer
Backed by Leakproof Guarantee

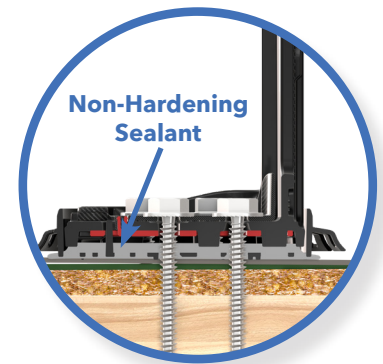

Our \$5,000 Promise

We're so confident in InstaFlash roof attachments, we guarantee it's watertight.

Pegasus designs solar racking to a higher standard, with over **2 million** InstaFlash mounts installed and zero leaks. An industry first, the InstaFlash Leakproof Guarantee provides up to \$5,000 of coverage for the installer to perform leak damage repairs.

Install with Confidence

InstaFlash eliminates damage from prying up shingles and inserting flashing. Every mount is automatically sealed and immediately watertight, ensuring lifetime waterproof protection. You won't need the InstaFlash Leakproof Guarantee. But rest assured, you have it.

Guaranteed watertight, so you can sleep better at night.

INSTAFLASH: The Ultimate Roof Mount

With proprietary technology no other brand can match, InstaFlash is the ultimate mount for composition shingles roofs:

- Non-hardening sealant re-seals for the life of the system
- Factory-installed sealant eliminates manual error
- Withstands temperatures from -40° to 250°F
- Instantly watertight, even in rain
